

Role Profile

Version 1.0 / Date Authorised by Chief Executive Officer: 01/04/2025

Job Title: Senior Trauma Informed Therapist (Community) **Dept:** Community Services
Reports to: Therapy Services Manager **Reportees:** None

Role Purpose

To deliver quality assured trauma-informed therapeutic services to primary and secondary beneficiaries.

Main Duties and Responsibilities

- Lead peer-mentoring support to trauma-informed therapists.
- Deliver trauma-informed therapeutic services.
- Lead accurate clinical record keeping of therapeutic service interventions.
- Lead the supervision of therapeutic services waiting lists.
- Undertake specific therapeutic projects as directed by the Executive Team.

Organisational Core Responsibilities

- Stringently uphold the organisation's values of transparency, integrity, understanding and responsiveness throughout your work and your representation of We Are Survivors.
- Honour a commitment to diversity, inclusion, and anti-oppressive practice and work positively and inclusively with everyone so that We Are Survivors provides a workplace that does not discriminate against people on the ground of their age, sexuality, religion or belief, race, gender, or disabilities.
- Ensure 100% of the work you carry out is for the achievement of the mission "to break the silence of the sexual abuse, rape and sexual exploitation of boys & men and support them and their loved ones to engage in positive healing, free from the impact of abuse" and vision "a society where no male survivor is left behind".
- Maintain strict confidentiality boundaries as you have access to sensitive, restricted, and classified information; and ensure that you are fully compliant with all information governance policies set by the organisation and/or Information Commissioners Office.
- Respect individuals right to anonymity within and outside of the organisation.
- Fully comply with all professional external frameworks, charters or practice standards that We Are Survivors subscribes to, is a member of, or carries.
- Fully comply with the organisations standard operating procedures / quality assurance, guidelines, policies, and procedures, including all accurate recording of information and ensuring you do not act to compromise the organisational standards or any formal QA Accreditation.
- Remain aware at all times of your responsibilities for your own health and safety, for the Health and Safety of those directly responsible to you, your work colleagues and any others who may be affected by the operations under your responsibility or control.
- Ensure you comply with all requirements identified within infection control measures and risk management, both nationally and locally.

- To work flexibly in the interests of the organisation, which may include undertaking other duties provided that these are appropriate to your background, skills and abilities.
